XScroll

The High-Precision Optical Wheel Mouse

Here's the latest optical mouse from Genius --- the *Xscroll,* which is easy to use in either hand and easy to install. *XScroll* says Genius quality, but at a value price. And an all black design will fit elegantly with your PC.

With no mouse ball to get dirty, *XScroll* makes your life easier---no mouse pad required and no cleaning necessary. Even if you use it for a long time, you will still feel comfortable with the *XScroll*. Contact your sales representative for more information.
